

# DYSLEXIA STRENGTHS

## Pattern-spotting

Spotting connections that others miss, and visualising the bigger picture.

## 3-D Thinking

Spacial reasoning skills, able to visualise 3-D images and solve complex visuo-spatial puzzles.

## Idea generators

Originality, creativity, innovation, and artistry.

## Entrepreneurial spirit

A huge 40% of entrepreneurs self-identify as dyslexic!

## Problem-solving

Logical reasoning skills and an ability to break solutions down into actionable steps.
